for the  
Hawai`i State Rural Health Association

## Aloha!

The Hawai'i Island Rural Health Association welcomes you to the island of Hawai'i for the 2006 State Rural Health Conference. This year's conference "Saving Lives and Preventing Injuries" is for everyone interested in:

- Learning about injury in Hawai'i and the nation;
- Understanding the principles and the importance of injury prevention;
- Learning about local injury prevention programs; and
- Providing an opportunity to network with others involved in rural health and injury prevention.

This conference will focus on three of the leading causes of unintentional injuries in Hawai'i: motor vehicle injuries, drownings and falls. Concurrent sessions will include injury data, challenges of prevention efforts and will highlight a local program in either traffic safety, ocean / water safety or falls prevention.

Enjoy one of the many Hawai'i Island destinations that links guests to old Hawai'i. The Waikoloa Beach Marriott is located in Waikoloa Beach Resort, eighteen miles (a twenty-five minute drive) north of Kona International Airport.

For hotel reservations please call 1-800-228-9290 for Waikoloa Marriott and the group code: **RHA** or online at [www.marriott.com](http://www.marriott.com) reservation code: **RHARHAA** to receive the hotel rate of \$139.00/night (single or double) plus tax (11.416%). Parking is \$7.00/day self parking or \$12.00/day valet parking. The hotel rate is applicable 3 days before and 3 days after the conference as space is available. Hotel registration deadline for this rate is September 19, 2006.

Please contact John Kaizuka, 933-0911 for additional information.
